EXPERIENCE

Game Developer
Logical Defense - LogDef
Nov 2022 - Jan 2023 (3 mos)

I was working as a Volunteer Intern. I'm mostly interested in doing level design and mechanics in Unity. We used Plastic Version Control Manager while working.

Lead
Game Factory Club Fırat
Sep 2022 - Aug 2023 (11 mos)

As a club leader, I had the opportunity to organize various events related to the gaming industry. I organized and managed events such as workshops, and conferences. I led my team in planning, marketing, and executing the events. I also learned to use various tools that were used in the events. This experience helped me gain leadership, organization, and communication skills.
